

Private Shopping Amid the Sparkle and Style of Goldi's

The glitter and glamour of Goldi's on Oakland was the perfect setting for a delightful evening of socializing and shopping for supporters of PEARLS for Teen Girls. Nearly 100 PEARLS friends stopped in on September 24, 2008 for light refreshments, good conversation and fabulous fashions all to benefit PEARLS. A flurry of activity swirled around Goldi's dressing rooms and registers as guests discovered unique garments, shoes, bags, jewelry and other accessories. Goldi's generously donated 25% of all sales to PEARLS, which added up to an awesome \$3,567 contribution.

Thank you to Goldi's and the PEARLS board, especially Cathy Costantini, for arranging this wonderful event.
