

A Day in my Sister's Shoes

Takes place both fall and spring semesters. Begins starting in October and runs throughout the month of November for fall semester. The event begins again in March and goes throughout April for the Spring Semester. This event pairs ten PEARLS high school girls with PEARLS alumnae who are currently enrolled in college. The high school girls will have an opportunity to: shadow their college "sisters," attend classes, tour the campuses, and learn firsthand what college life is all about.
